Nate,

Thanks for the news.

I drove by the medians today and noticed the grass needs mowing. I thought I would call you to let you know.

However, with this info, it looks like it might be some time before it does get mowed.

I like your thinking that this could be advantages for us.

Thanks again.

John

Hi Fellas,

Please read the attached letter we just received from BOSS informing us that street services can no longer maintain landscaped medians.

Perhaps we can use this as fodder to contract the work out on Sepulveda that you want the BID to maintain?

Good Afternoon,

As of July 1, 2010 the Bureau of Street Services Landscape Maintenance Program will be eliminated. Attached is a memo with a detailed explanation. A hard copy will also be sent as well to your office.

Please feel to contact myself or Nazario Saucedo, Assistant Director if you have any additional concerns.

Have a great afternoon.
